

object

```
graph BT; A[dragon_swig.pdu_to_stream_s] --> B[object];
```

A diagram illustrating a pointer relationship. A light gray rectangular box at the top contains the text 'object'. A dark gray rectangular box at the bottom contains the text 'dragon_swig.pdu_to_stream_s'. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

dragon_swig.pdu_to
_stream_s
